The Honorable Steven Englebright
New York State Assemblyman
Legislative Office Building, Room 621
Albany, NY 12248

Dear Assemblyman Englebright:

I realize that at this time of year you receive many requests for funding as part of the State budget process.

As you may recall, last Fall we had an opportunity to discuss funding the historic renovation of the Davis House in Coram. The Davis House, as you are aware, was the center of government for many years. To date, the Town of Brookhaven has spent \$1.4 million renovating the exterior of this historic house.

Additional monies are needed to restore the interior so that it can be viewed and utilized by the general public.

Any assistance you could provide by including funding in the 2015-2016 Budget would be greatly appreciated.

Sincerely,

Edward P. Romaine, Supervisor
Town of Brookhaven
